Re: Proposed Annexation to the
City of Glendora, Southerly
Annexation District No. 27

Dear Mr. Baiotto:

At the meeting held on August 7, 1957, the County Boundary Commission reviewed the boundary description and map submitted by Frances C. Nelson, with a letter dated July 26, of the proposed annexation of territory to the City of Glendora.

A corridor of unincorporated territory 2 feet wide and approximately 1350 feet long is created by the boundaries. This proposed annexation is dependent for contiguity on proposed "Southerly Annexation District No. 24" to said city approved by the Commission on April 17, 1957. Upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

Gordon T. Nesvig
